A MESSAGE FROM OUR CEO

Dear Fellow Employee:

Impact Systems' Employee Benefits Open Enrollment for 2012 will take place from Monday February 13th through Friday February 17, 2012. This is your opportunity to review insurance benefits and make choices for the upcoming plan year. I invite you to review the enclosed Employee Benefit Open Enrollment information that is contained within this packet. You will find a vast array of important information including plan summaries and contribution schedules as well as dates, times and locations for employee information meetings.

As in previous years, our goal has been to afford Impact employees the opportunity to obtain comprehensive employee benefit coverages and to do so at a competitive cost. The cost of health care coverage remains an issue of national significance. With the continuation of skyrocketing premiums and reduction of coverage levels, many employers are faced with the daunting decision of whether they can afford to offer any health care coverage to their employees. However, we at Keystone have remained steadfast that providing employees and their families with access to comprehensive and affordable health care coverage is a top priority. While some employers may see health care coverage as an option, we see it as a significant component in conjunction with leave time and salary as part of our organization's entire compensation and benefits package.

I am pleased to inform you that we have been able to work closely with our current health and dental insurance carriers, Geisinger Health Plan and United Concordia, and have arranged to continue to offer coverage through these providers. The United Concordia dental plan will remain exactly the same while there are modifications to the Geisinger Health Plan insurance.

On the following pages you will find the plan summaries and contribution schedules for the Geisinger Health Plan coverage offered for the 3/1/12 benefits plan renewal. It is important to remember that all preventative care will continue to be covered at 100% or by a copay. Therefore, all pediatric well visits, pediatric immunizations, routine gynecological care, and annual physicals will continue to be provided through Geisinger Health Plan physicians at minimal or no cost to you!

Additionally, the prescription coverage will remain exactly the same as the 2011 program. (A reminder to all who are on maintenance medications: it will continue to be less expensive for you to use the mail order feature of the prescription program for all medications that are filled for long-term and ongoing utilization.)

I encourage each of you to carefully review the materials contained in this Open Enrollment brochure and attend the Open Enrollment Employee Benefits Information Meeting for your region so you can make the most appropriate benefit decisions for you and your family.

On a personal note, please allow me to express my gratitude to each of you for your efforts, energy, and enthusiasm in support of our mission and vision. I thank you for demonstrating your unwavering commitment to "Advancing the Human Spirit."

Sincerely,

A handwritten signature in black ink, appearing to read "RJB", written in a cursive style.

2012 BENEFIT HIGHLIGHTS

- **Life Insurance**

All full time benefit eligible employees are provided with life insurance. The premiums for this coverage is 100% employer paid.

- **401(k)**

All employees over 18 years of age are provided the option of enrolling in the employer sponsored 401(k) plan and/or 403(b) plan. Open Enrollment for these plans will be July 1, 2012.

- **Medical Insurance**

While medical insurance coverage for all benefit eligible employees continues to be provided through **Geisinger Health Plan**, there are modifications to the plan design. Effective March 1, 2012 the buy-up plan option will be eliminated and we will be offering just one plan.. The deductible reimbursement previously provided by Impact Systems will be discontinued. All reimbursement receipts for the current plan year must be submitted by June 30, 2012.

- **Vision**

For 2012 the routine vision program will remain exactly the same with no plan design changes. The plan allows for one routine exam per year and up to \$200 eyewear reimbursement every two years.

- **Prescription**

For 2012 the prescription drug program will remain exactly the same with no plan design changes. Consult this packet of information and your Geisinger Health Plan plan document for full plan information

- **Dental Insurance**

There are no changes to the dental insurance plan that is in place through United Concordia. At this time there is no open enrollment for the dental plan. Open enrollment for this plan will take place October 1, 2012. Dental benefits are entirely employee paid.

- **AFLAC**

Although information regarding AFLAC benefits are not included in this Open Enrollment Benefits packet, a representative from AFLAC will attend each of the Employee Informational meetings to present the benefits available and assist with enrollment. AFLAC benefits are entirely employee paid.

It is critical that you turn in your Employee Benefits Open Enrollment Election Form (enclosed) during the Open Enrollment Employee Informational meeting next week. The meeting schedule can be found on page 1.

If you do not complete and return an enrollment form your benefits will be terminated effective February 29, 2012.

Additionally, please be aware that because of the tax advantages associated with employee benefits, the Internal Revenue Service (IRS) limits when employees can make changes and add dependents. Generally, you may make changes or add dependents only during annual Employee Benefits Open Enrollment. However, if you experience a qualifying life event, such as birth, marriage, or divorce, the IRS allows you to make changes within 31 days of the event. After the 31 days, you cannot make a change or add a dependent until the next annual Employee Benefits Open Enrollment period.

MEDICAID AND THE CHILDREN'S HEALTH INSURANCE PROGRAM (CHIP)

OFFER FREE OR LOW-COST HEALTH COVERAGE TO CHILDREN AND FAMILIES

If you are eligible for health coverage from your employer, but are unable to afford the premiums, some States have premium assistance programs that can help pay for coverage. These States use funds from their Medicaid or CHIP programs to help people who are eligible for employer-sponsored health coverage, but need assistance in paying their health premiums.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed on the following page, you can contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, you can contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or **www.insurekidsnow.gov** to find out how to apply. If you qualify, you can ask the State if it has a program that might help you pay the premiums for an employer-sponsored plan.

Once it is determined that you or your dependents are eligible for premium assistance under Medicaid or CHIP, your employer's health plan is required to permit you and your dependents to enroll in the plan – as long as you and your dependents are eligible, but not already enrolled in the employer's plan. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance.**

If you live in one of the following States, you may be eligible for assistance paying your employer health plan premiums. The following list of States is current as of January 31, 2011. You should contact your State for further information on eligibility.

To see if any more States have added a premium assistance program since January 31, 2011, or for more information on special enrollment rights, you can contact either:

ANNUAL NOTICES

WOMEN'S HEALTH ACT

The Women's Health and Cancer Rights Act of 1998 requires that all health insurance plans that cover mastectomy also cover the following medical care:

- Reconstruction of the breast on which the mastectomy was performed,
- Surgery and reconstruction of the other breast to produce a symmetrical appearance,
- Prostheses and treatment of physical complications at all stages of the mastectomy, including lymphedemas, and mastectomy bras and external prostheses limited to the lowest cost alternative available that meets the patient's physical needs.

CONTINUATION REQUIRED BY FEDERAL LAW FOR YOU AND YOUR DEPENDENTS

The Continuation Required by Federal Law does not apply to any benefits for loss of life, dismemberment or loss of income.

Federal law enables you or your dependent to continue health insurance if coverage would cease due to a reduction of your work hours or your termination of employment (other than for gross misconduct). Federal law also enables your dependents to continue health insurance if their coverage ceases due to your death, divorce or legal separation, or with respect to a dependent child, failure to continue to qualify as a dependent. Continuation must be elected in accordance with the rules of your employer's group health plan(s) and is subject to federal law, regulations and interpretations.

NEWBORNS' AND MOTHERS' HEALTH PROTECTION ACT

Federal law (Newborns' and Mothers' Health Protection Act of 1996) prohibits the plan from limiting a mother's or newborn's length of hospital stay to less than 48 hours for a normal delivery or 96 hours for a Cesarean delivery or from requiring the provider to obtain preauthorization for a stay of 48 or 96 hours, as appropriate. However, federal law generally does not prohibit the attending provider, after consultation with the mother, from discharging the mother or her newborn earlier than 48 hours for normal delivery or 96 hours for Cesarean delivery.

HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT (HIPAA)

Impact Systems, Inc., in accordance with HIPAA, protects your Protected Health Information (PHI). Impact Systems, Inc. will only discuss your PHI with medical providers and third party administrators when necessary to administer the plan that provides you your medical, dental, and vision benefits or as mandated by law. A copy of the Keystone Service Systems, Inc. Notice of Privacy Practices is available upon request in the Human Resources department.

This brochure summarizes the health care and income protection benefits that are available to Impact Systems, Inc. employees and their eligible dependents. Official plan documents, policies, and certificates of insurance contain the details, conditions, maximum benefit levels and restrictions on benefits. These documents govern your benefits program. If there is any conflict, the official documents prevail. These documents are available upon request through the Human Resources Department.

Information provided in this brochure is not a guarantee of benefits.
